

Technical drawing of a rectangular plate. The overall dimensions are 45* (width) and 96 (height). The plate features a central hole with a diameter of $\varnothing 6.5$. The hole is positioned 28.7 units from the top edge and 22.5 units from both the left and right edges. The bottom edge of the plate is divided into two sections, each 14.3 units wide, separated by a thin gap.

Technical drawing of a rectangular plate with a central slot. The dimensions are as follows:

- Overall width: 25.8
- Overall height: 96
- Slot width: 22.2
- Slot height: 17.3
- Distance from top edge to slot top: 13.5
- Distance from slot bottom to bottom edge: 14.4
- Distance from left edge to slot left: 2
- Distance from slot right to right edge: 2.8
- Distance from top edge to slot top (left side): 59.5
- Distance from slot bottom to bottom edge (left side): 15
- Distance from slot bottom to bottom edge (right side): 78.7

An isometric line drawing of a rectangular box. The box has a lid on top, which is slightly offset from the front face. A small circular handle is located on the front face of the box. The drawing shows the front, top, and right side of the box.
